COCO WOLF >

Coco Wolf have developed an innovation in outdoor furniture that will forever change the perception of what can be designed for the outdoors.

Working on the principle of 'what is available indoors can be replicated outdoors', Coco Wolf have developed an outdoor product that is fully upholstered, inner sprung and hand crafted using solid wood internals.

Built by English craftsman to meet the most rigorous demands of the contract market. Able to be left outdoors whether it's in the harsh sun of a tropical resort or the grey, wet winters in London.

BARLOW TYRIE >

With its soft curves and clean simple lines, the Bermuda combines the best of our teak tradition with the latest in styling and comfort. Its elegant proportions belie its strength and durability, making it ideal for a modern casual open-air lifestyle.

Perfect for the garden or the poolside, the balcony or the terrace, this high-dining set features a tall circular pedestal table and high dining chairs.

The chairs have smoothly curving sides, contoured backs, and seats that offer comfort without the need for cushions. The table features a parasol hole to take a 38mm pole or a blanking cap.
